ALTO Lift™ MkII 200

ALTO Lift™ MkII 200: A medium sized heavy duty mobile patient lifting hoist with a safe working load of 200kg and a compact ergonomic design.

ALTO Lift™ MkII 200, whilst being compact, provides superior patient lift space through the use of SPACE LINK™ technology.

ALTO Lift™ MkII 200 is the lifter of choice for institutional use or home care where a high capacity lift is required.

SPACE LINK™

- breakthrough for optimized patient space
- enhances floor lift capacity
